SUMMER SCHOOL 6th – 12th November
THEATR.....ON

The laboratory will be focused on the single student, in order to increase the solidarity and integration among young people to free themselves from the prison of individualism.

GENERAL OBJECTIVES :

THEATRICAL EDUCATION - CREATIVITY EDUCATION

Encouraging cultural exchanges, the contact, the knowledge of the theatrical culture even beyond the verbal systems.

GOALS:

Discovery and development of creative potentials and socialization; enhancement of fantasy and mimic expressivity; self-awareness; expressivity through gestures, voice, colours, sounds, stories and movements.

TRAINING (the set of exercises which aim at training the actor-person) becomes A

CREATIVE PROJECT: what is going to be developed in the laboratory (awareness, personal wellness) in that way it becomes EXPRESSIVE ART.

1) THE TRAINING using the various techniques of theatrical education (role-plays, simulation works, etc.) includes exercises related to the following languages:

VERBAL LANGUAGE

NON VERBAL LANGUAGE

SPACE LANGUAGE

THE LANGUAGE OF THE THEATRICAL MUSICALITY

It's necessary that the first three moments are important sections in all the single meetings of the course while the last is a skill that will be reached in the course as a whole, it depends on the students involved, the available time and the decision about the project we decide to realize.

2) THE STRUCTURE OF THE MEETING is the following:

Welcoming

Relaxation, meeting and greeting –it becomes a sort of rite that is necessary to concentrate ourselves and to be ready and available to what is going to happen during the single lessons.
